# We're with you.

## INDUSTRIAL DESIGN

Offering an in-house service, our highly qualified team of Industrial Designers will ensure that your hire solution is on-brand and meets all the functional requirements of your retail space. We've worked with all major retail precincts and understand what it takes to create a great retail display.

## PRINT & GRAPHICS

Effective branding is vital for an impactful retail display. That's why we offer in-house graphics and printing, so that we can ensure quality of printed materials and perfect application within your retail display.

## PROJECT MANAGEMENT

Our team of experienced project managers will look after your retail display from initial brief through to final delivery. We'll work with you to take care of all the details and ensure a seamless retail experience.

## PRODUCTION

All elements of your hire solution are produced locally by our in-house team, ensuring tighter quality control and faster turnaround times. We also offer a test-assembly service, so you can view your display prior to installation if required.

## INTEGRATING TECHNOLOGY

We will work with you to integrate technology and audio visual requirements into your display space to boost engagement and capture data.

## DELIVERY & INSTALLATION

Our team will manage all logistical requirements, whether a single-site or national retail roadshow, we'll make sure everything is delivered safely and on time. Then our team of qualified installers will build your retail display to specification ensuring everything is in place prior to handover.

# Guided and creative retail solutions.

Retail displays and kiosks help brands build excitement and boost sales, especially during special events and promotional periods like Christmas, Mother's Day and even back to school.
