- The Awards are open to both Shop! ANZ members and non-members.
- **There is no limit to the number of entries you can enter into the awards.** Just review the Awards Entrant Information booklet to select the most appropriate categories for your case studies,

What is the process?

A panel of judges comprised of brand marketers, retailers, agency representatives, shopper insights professionals, researchers and producers score the entries in a range of categories. In 2021, there are three rounds of judging in total. The first round is done online, in which judges review the entrants' comprehensive written case history and submission, on our digital awards platform.

Gold-winning category campaigns are then judged for Pinnacle Awards, and finally Best in Show. All award winners will be announced at 2021 Retail Marketing Awards Gala Dinner on Thursday 31 March at Doltone House, Jones Bay Wharf.

Please review the comprehensive 'Award Entrant Information' booklet, [available here](#).

FAQs

Q. What is the maximum number of entries I can submit?

A. There is no limit on the number of entries, as long as each entry submitted meets the eligibility criteria.

Q. Do I have to complete all entry criteria to be eligible for the competition?

A. Yes. Otherwise, the judges will not be able to fully assess the merit of the entry or verify its eligibility.

Q. Can I submit the actual display as part of my online entry?

A. No. Only photographs and video clips are accepted in support of online entries. There will be NO physical displays exhibited in 2021, so it is recommended that your in market images are of high quality and of high resolution to print them in the best light.

Q. How many photographs can I submit for each entry?

A. You may submit up to 10 different images, however, the submission of two (2) images is required. At least one of these must be high resolution (1MB or higher file size). It is essential to use unedited photographs of in-market activation, rather than renders. Ensure there is no company branding on any image or video. Clearly mark your images 'High res HERO', 'Low res HERO', and 'Company Logo.'
